1500 Capitola Road Opportunity Neighborhood Meeting

Join us . . .

In April 2018, we received community feedback on the preliminary proposal for a mixed-use development at the County-owned property located at 1500 Capitola Rd. We invite the community to come together once again, as we present a revised proposal, discuss the basis for design decisions, answer your questions, and outline next steps for submitting a County application for approval.

What: Presentation and Q&A session about the modified development proposal.
