The introductory meeting of the Santa Cruz County Cannabis Cultivation Choices Committee (C4) is scheduled for Tuesday, Sept. 8 at the Live Oak Senior Center, 1777 Capitola Rd., Santa Cruz.

Formed under the direction of the Santa Cruz County Board of Supervisors and tasked with finding a workable regulatory scheme for the county's medical marijuana growers, the 13-member body includes a range of experience, including growers and providers, planners, environmental health officials, legal experts and more.

Scheduled from 10 a.m.-2 p.m., the meeting is open to the public and subject to the Ralph M. Brown Act. Please arrive smoke- and scent-free. A series of meetings are planned, with the committee scheduled to finish its work by late December 2015.

As part of its outreach efforts, the committee is developing a website where much of the written materials available to the committee will be posted. The website address will be announced shortly.

An agenda and committee membership list are attached.
