### RECYCLED WATER PROJECT RIBBON CUTTING

The Davenport County Sanitation District and County of Santa Cruz Department of Public Works cordially invite you to the Davenport Recycled Water Ribbon Cutting Ceremony.

In 2014, the Sanitation District and DPW began work to improve wastewater operations and create a sustainable water supply for local farmers. The result is a \$3.6 million project that improves the treatment of local wastewater by creating additional storage capacity and infrastructure for the distribution of recycled water for agricultural uses.

The novel project was entirely funded by grants from the Department of Housing and Urban Development's Community Development Brock Grant program, the California Department of Water Resources and the State Water Resources Control Board.

Speakers will include Supervisor Ryan Coonerty, Santa Cruz County Administrative Officer Carlos Palacios and Davenport neighbors.

**Date:** Thursday October 18, 2018

**Time:** 10:30 a.m. – 11:30 a.m.

**Location:** Cement Plant Road/Warnella Truck Trail (north of New Town)
