SECOND VACCINATION CLINIC IN BOULDER CREEK

The Santa Cruz County Public Health Division will be holding a second free hepatitis A vaccination clinic in Boulder Creek on Tuesday, Sept. 26.

The clinic will be held at the Boulder Creek Fire Department, 13230 Highway 9, from 5:15 p.m. to 7:15 p.m.

A prior clinic resulted in more than 100 vaccinations administered to local residents. Vaccinations are being offered on a first-come, first-served basis and are in response to a sharp increase in the number of local hepatitis A cases.

Health Services Agency Director Giang Nguyen will be on site to help administer vaccines.

**To protect the privacy of patients, we are asking any media to coordinate still/video photography of the event with Communications Manager Jason Hoppin.*
