RESOLUTION NO. _____

On the motion of Supervisor:
Duly seconded by Supervisor:

The following resolution is adopted:

RESOLUTION REAFFIRMING THE COUNTY'S COMMITMENT TO
PROTECTING THE RIGHTS, ADVANCING EQUITY, AND ENSURING THE
WELLBEING OF LGBTQ+ INDIVIDUALS AND WOMEN

WHEREAS, Santa Cruz is a diverse and inclusive community, that has officially supported and celebrated the rights of LGBTQ+ individuals for fifty years; and

WHEREAS, on June 4, 2024, the County of Santa Cruz adopted Resolution No. 153-2024 declaring Santa Cruz a Sanctuary County for transgender, gender queer, non-binary, gender fluid, gender non-conforming, and intersex people (a copy of the resolution is attached hereto as Exhibit 1); and

WHEREAS, on May 24, 2022, the County of Santa Cruz adopted Resolution No. 152-2022 affirming the County's role as a champion of Reproductive Freedom and the importance of safe and legal access to reproductive care to allow individuals to make informed healthcare decisions, retain autonomy over their bodies, and achieve their full potential (a copy of the resolution is attached hereto as Exhibit 2); and

WHEREAS, ensuring that all people have access to the services they need is essential to the wellbeing of all Santa Cruz County residents; and

WHEREAS, gender-affirming and reproductive healthcare have been proven time and time again to be safe and medically accepted, and information about, and access to, these services is key to empowering individuals to lead healthy, happy lives; and

WHEREAS, the stated intention of the current presidential administration and congressional majority are likely to conflict with the County's Strategic Plan and previous commitments to protect the rights of, and support, LGBTQ+ individuals and women in their pursuit of healthy, happy lives (collectively "Stated Values"); and

Resolution _____

WHEREAS, fears that the federal administration might seek to collect and use sensitive personal health data for discriminatory purposes are likely to have a chilling effect on the utilization of health and reproductive services, with LGBTQ+ individuals and women choosing not to seek out the health services they need; and

WHEREAS, deferred care negatively affects not only the people postponing service, but also society at large, as unattended problems become more costly and harder to resolve over time;

NOW, THEREFORE, the Board of Supervisors of the County of Santa Cruz resolves and orders that:

1. The County of Santa Cruz hereby reaffirms its commitment to protect, serve, and support LGBTQ+ individuals and women in their pursuit of health and happiness, and their private exercise of bodily autonomy.

3. The County Administrative Officer is directed to work with County departments and community partners to identify opportunities and resources to ensure LGBTQ+ individuals and women continue to have access to the services they need to lead healthy, happy lives without fear of retaliation or discrimination, and to ensure that the County is actively communicating this commitment in a manner that effectively reaches impacted community members.
4. The County Administrative Officer is directed to work with County departments to identify any policy of the state or federal government that will impact the funding or continuation of services in accordance with the County's commitment to the wellbeing, privacy, and autonomy of LGBTQ+ individuals and women ("Conflicting Policy").
5. The County Administrative Officer is directed to bring to the Board recommended actions with the goal of upholding the County's Strategic Plan and previous commitments of the County as soon as possible after identifying any Conflicting Policy, including by requesting that the Chair call a Special Meeting of the Board of Supervisors if timely action is needed.

RESOLUTION NO. 153-2024

On the motion of Supervisor Friend:

The following resolution is adopted:

A RESOLUTION DECLARING SANTA CRUZ COUNTY A SANCTUARY
COUNTY FOR TRANSGENDER, GENDER QUEER, NON-BINARY, GENDER
FLUID, GENDER NON-CONFORMING, AND INTERSEX PEOPLE

WHEREAS, as of the date of this resolution, California law does not restrict access to gender-affirming health care and bans insurance exclusions for gender-affirming health care; and

WHEREAS, other states may adopt or expand laws that impose criminal punishment, civil liability, administrative penalties, or professional sanctions on health care professionals who provide gender-affirming health care and on persons who seek, receive, or assist another in receiving gender-affirming health care in states or jurisdictions that provide such care, including Santa Cruz County; and

WHEREAS, the State of California passed SB107 in 2022, protecting individuals seeking sanctuary from out-of-state prosecution and explicitly prohibiting law enforcement agencies from knowingly making or participating in the arrest or extradition of an individual pursuant to an out-of-state arrest warrant based on another state's law against receiving gender-affirming health care in California; and

WHEREAS, for the purpose of this resolution, "gender-affirming health care" and "gender-affirming mental health care" have the same meanings as provided in section 16010.2 of the California Welfare and Institutions Code; and

WHEREAS, gender-affirming health care has been proven to be evidence-based, medically necessary, and lifesaving by the American Medical Association, the American Academy of Child and Adolescent Psychiatry, the American Academy of Pediatricians, the Endocrine Society, the American Psychiatric Association, and the World Professional Association for Transgender Health, amongst other institutions; and

WHEREAS, studies have shown that gender transition, including access to gender-affirming health care, improves the overall wellbeing of transgender,

Resolution 153-2024

gender queer, non-binary, gender fluid, gender non-conforming, and intersex people and access to gender-affirming health care for youth is associated with better mental health outcomes and lower risks of suicide; and

WHEREAS, at least 23 states have enacted laws restricting or banning gender-affirming health care for minors, and at least 7 states have enacted laws restricting or banning gender-affirming health care for adults; and

WHEREAS, over 94 percent of LGBTQ+ youth surveyed nation-wide by the Trevor Project in late 2021 said recent politics have negatively impacted their mental health, and 93 percent of transgender and nonbinary youth surveyed by the Trevor Project in 2022 said they have worried about transgender people being denied access to gender-affirming medical care due to state or local laws; and

WHEREAS, multiple health care institutions across the country have scaled back or have considered scaling back gender-affirming health care services in response to legal challenges, perception of legal risk, harassment, or threats of violence; and

WHEREAS, there are numerous institutions providing gender-affirming health care in Santa Cruz County, yet local advocates report a critical shortage of therapists who specialize in gender identity, especially ones who accept insurance, and a shortage of surgeons for gender-affirming surgeries; and

WHEREAS, healthcare professionals, as well as persons seeking, receiving, or assisting another individual who is seeking or receiving gender-affirming health care in the County of Santa Cruz, should be protected from attempts to impose criminal punishment, civil liability, administrative penalties, or professional sanctions based on the laws of other states when gender-affirming health care is lawful in the State of California and meets standards for good professional practice; and

WHEREAS, it is necessary and appropriate to exercise the authority vested in the Board of Supervisors to protect health care professionals and persons lawfully seeking, receiving, and assisting another individual in seeking or receiving gender-affirming health care in the County of Santa Cruz;

NOW, THEREFORE, BE IT RESOLVED, that the Santa Cruz County Board of Supervisors hereby reiterates its commitment to transgender, non-binary, gender queer, gender fluid, gender non-conforming, and intersex rights and equal protections for transgender, gender queer, non-binary, gender fluid, gender non-conforming, and intersex community members and declares itself a Sanctuary County and a place of safety for transgender, gender queer, non-binary, gender fluid, gender non-conforming, and intersex people.

Resolution 153-2024

BE IT FURTHER RESOLVED, that the County of Santa Cruz recognizes the importance of gender-affirming health care as a matter of health, privacy, and equality and will ensure, to the greatest extent permitted by law, that those rights are upheld for all people living, working, or seeking services within the County.

BE IT FURTHER RESOLVED, that no County resources, including but not limited to time spent by employees, officers, contractors, or subcontractors while on duty, or the use of County property, shall be utilized to persecute or detain, or to assist another jurisdiction wishing to persecute or detain persons for seeking or providing gender-affirming health care, including such activities as gender-affirming mental health care, gender-affirming hormone therapy, or gender-affirming surgery.

BE IT FURTHER RESOLVED, that no County resources shall be utilized for cooperating with or providing information to any individual or out-of-state agency regarding the provision of lawful gender-affirming health care or gender-affirming mental health care performed in the state of California.

BE IT FURTHER RESOLVED, that nothing in this resolution prohibits the investigation or enforcement of any criminal activity, provided that no prescription or medical information relating to gender-affirming health care for any specific individual may be shared with an out-of-state agency or any other individual.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
