RESOURCE CONSERVATION DISTRICT OF SANTA CRUZ COUNTY

BOARD OF DIRECTORS

NOTE: The Board of Supervisors accepted authority for making appointments to this Board of Directors, in lieu of an election, on June 6, 1996. The terms of office of the directors are four years and expires (and begin) at noon on the last Friday in November of even-numbered years (pursuant to Public Resources Code Section 9305). However, appointments must be made prior to Election Day (early November) in any year in which appointments are required. Government Code Section 54974 provides that for an unscheduled vacancy in any board, a special vacancy notice shall be posted in the office of the clerk, the central library and other places directed by the Board of Supervisors, including the office of the Resource Conservation District as directed by the Board. The notice is required to be posted within 20 days of the effective date of the vacancy and final appointment to fill the vacancy shall not be made for at least 10 working days after the posting of the notice. While the provisions of Chapter 2.38 does not apply with regard to this process, the Board utilizes the same process for making mid-term appointments to this body as we would for at-large positions in order to give as much public notice as possible of the opportunity to apply.
