Notice of Intent to Adopt a Mitigated Negative Declaration

Project Title: Al Shugart Dog Park

Project Location: 400 Glenwood Drive, Scotts Valley, CA / APN 023-241-11, -21, and -22

Description of Project: The project site is located on two partially-developed parcels (APNs 023-241-21 and -22) and one undeveloped parcel (023-241-11) at 400 Glenwood Drive in the City of Scotts Valley, Santa Cruz County. Improvements are proposed on approximately 5.64 acres of the property ("project site"). The project site consists of vacant open space and a small parking lot located in the southwest corner of the project site.

The City proposes to develop a dog park with additional park amenities. The project would include improvements such as pet-proof fencing and dog park entry corrals; landscaping and irrigation. Pathway lighting along the existing multi-use pathway connecting to the project site and security lighting at the restroom is proposed.

THIS NOTICE HAS BEEN POSTED AT THE CLERK
 OF THE BOARD OF SUPERVISORS OFFICE FOR A
 PERIOD COMMENCING 10/26/2026
 AND ENDING 11/30/2026

Park Amenities. Park-user amenities would include the following: a 6,500 square-foot all-weather turf area; 9,000 square-foot area for small dogs; 28,000 square-foot area for large dogs; prefabricated restroom structure with two single use ADA-compliant stalls; park dedication monument; walking paths; benches, picnic areas, and seating areas; metal shade features; outdoor classroom; bike racks; drinking fountains; and, trash and recycling receptacles.

Water, Wastewater, and Stormwater Infrastructure. The proposed project would require water service for drinking fountains, the restroom, and landscaping, and would connect to existing Scotts Valley Water District water service infrastructure near the project site. The proposed project would require lateral connections and routing to the City's existing wastewater collection system, and would construct biotreatment planters for stormwater treatment and infiltration.

Parking. The proposed project would involve the repair of an existing parking lot on Glenwood Drive and parking lot expansion, resulting in a total of up to 42 spaces.

The proposed project is subject to the California Environmental Quality Act (CEQA). Therefore, the City of Scotts Valley Planning Department has prepared a Mitigated Negative Declaration. The City Council will review the proposed project and make a decision. All interested persons are invited to send written comments.
