Addition to Section 3.3.Scope

Scope clarification regarding grievances:

Contractor shall provide initial responses to grievances regarding medical issues. If the grievance is appealed, the contractor will provide a different respondent, such as an independent medical professional of similar or higher licensure to the original respondent (at minimum an RN), to review the appeal, initial grievance and response and provide a response to ensure proper treatment for the patient.

Vendor Questions

Vendor #1

1. Question: Do you have exhibit H (referenced pg. 25, 4.15 of RFP) to share?

Answer: This was a misprint in the RFP. Please refer to Exhibit E: Insurance Requirements instead.

Vendor #2

1. My specific question is: Would the County allow and evaluate a proposal from Correct Rx for pharmacy services only for RFP #23P3-013?

2. Answer: We are requesting proposals for full health services and not pharmacy services only. The future contracted health service provider will determine which pharmacy they will contract with.

All other information remains the same.

1/19/2024 was the original deadline for all questions regarding this RFP, but it has been extended to **02/05/2024** as of the posting of this addendum.

RFP SUBMITTAL DEADLINE HAS CHANGED.
