ADDENDUM #1

Request for Qualifications (RFQ 23Q2-001)

FOR

OPERATING CHILDREN'S CRISIS STABILIZATION AND RESIDENTIAL PROGRAMS

Issued November 03, 2023

This addendum (#1) is being issued to answer questions posed by prospective vendors regarding RFQ 23Q2-001.

Vendor #1

1. (p.12, #3.5) Crisis Residential Program: the scope of work describes an unlocked unit that includes voluntary and involuntary patients. Our experience/research is a locked facility is critical for this population for safety and risk. We will write to this approach, including meeting the various regulations and requirements. Will the county consider this?
County staff is interested in a proposal for this option, and it will be considered. If the County chooses to add this option, there would be implications for the current design of the second floor of the facility.
2. (p.a16, #1) Introductory letter: this looks to be a comprehensive letter, including responding to the Scope Of Work services. Is there a page limit?
If the Respondent chooses a comprehensive response via the Introductory Letter, it is limited to five (5) pages.
3. (p 16, #6) Timeframe of litigation: is this specific to Santa Clara County projects, and what timeframe is requested? We assume it is current or any recently (within the year) resolved litigation
The timeframe for reporting litigation is the prior 36 months.
4. Is there a funding amount identified, or will this be discussed at the next stage of the process after the RFQ and response?
There is no funding amount associated with the project at this point, but it will be discussed in the next stage, either through a Request for Proposal (RFP), or contract negotiations, whichever is indicated upon the County's evaluation of responses to the RFQ.

All other information remains the same.

October 27, 2023 was the deadline for all questions regarding this RFQ. No further questions will be accepted by Purchasing.
