SECTION I. INVITATION

The County of Santa Cruz invites sealed proposals from fully licensed, insured, bonded, certified vendors to furnish all labor, tools, equipment, and incidentals required to install Reverse Osmosis Point-of-Use (POU) treatment devices and/or deliver bottled potable water within the jurisdiction of Santa Cruz County as part of the County effort to ensure mitigation of water quality issues in the community. The 2020 estimated population for the County of Santa Cruz by the U.S. Census Bureau was 270,861. The County encompasses an urban service area of 440 square miles.

4.13 Severability
Should any part of Contract be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect the validity of the remainder of Contract, which shall continue in full force and effect; provided that the remainder of Contract can, absent the excised portion, be reasonably interpreted to give the effect to the intentions of the parties.

   2. Perform any of the other provisions of Contract.
b. In the event County terminates Contract in whole or in part, as provided in paragraph 4.4, County may procure, upon such terms and in such manner as County deems appropriate, supplies, services or work similar to those so terminated, and Contractor shall be liable to County for any excess costs for such similar supplies, services or work; provided that Contractor shall continue the performance of Contract to the extent not terminated under the provisions provided herein. Contractor shall not be liable for any excess costs if the failure to perform Contract arises out of causes beyond the control and without the fault and negligence of Contractor.

4.17 Independent Contractor Status
a. Contractor and County have reviewed and considered the principal test and secondary factors below and agree that Contractor is an independent contractor and not an employee of County. Contractor is responsible for all insurance (workers’ compensation, unemployment, etc.) and all payroll related taxes. Contractor is not entitled to any employee benefits. County agrees that Contractor shall have the right to control the manner and means of accomplishing the result contracted for herein. It is recognized that it is not necessary that all secondary factors support creation of an independent contractor relationship, but rather that overall there are significant secondary factors that indicate that Contractor is an independent contractor.
b. **Principal Test:**  
Contractor rather than County has the right to control the manner and means of accomplishing the result contracted for.

c. **Secondary Factors:**  
(1) The extent of control which, by agreement, County may exercise over the details of the work is slight rather than substantial; (2) Contractor is engaged in a distinct occupation or business; (3) In the locality, the work to be done by Contractor is usually done by a specialist without supervision, rather than under the direction of an employer; (4) The skill required in the particular occupation is substantial rather than slight; (5) Contractor rather than the County supplies the instrumentalities, tools and work place; (6) The length of time for which Contractor is engaged is of limited duration rather than indefinite; (7) The method of payment of Contractor is by the job rather than by the time; (8) The work is part of a special or permissive activity, program, or project, rather than part of the regular business of County; (9) Contractor and County believe they are creating an independent contractor relationship not an employer-employee relationship; and (10) County conducts public business.

### 4.18 Equal Employment Opportunity

During and in relation to the performance of Contract, Contractor agrees as follows:

a. Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, sexual orientation, age (over 18), veteran status, gender, pregnancy, or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to: recruitment; advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training (including apprenticeship), employment, upgrading, demotion, or transfer. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this non-discrimination clause.

b. If Contract provides compensation in excess of $50,000 to Contractor and if Contractor employs fifteen (15) or more employees, the following requirements shall apply:

1. Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, sexual orientation, age (over 18), veteran status, gender, pregnancy, or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to: recruitment; advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training (including apprenticeship), employment, upgrading, demotion, or transfer. In addition, Contractor shall make a good faith effort to consider Minority/Women/Disabled-Owned Business Enterprises in Contractor's solicitation of goods and services.

2. Contractor may be declared ineligible for further agreements with County in the event of non-compliance with the non-discrimination clauses of Contract or with any of said rules, regulations or orders.

3. Contractor shall cause the foregoing provisions of this subparagraph to be inserted in all subcontracts for any work covered under Contract by a subcontractor compensated more than $50,000 and employing more than fifteen (15) employees, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
4.19 Retention and Audit of Records  
Contractor shall retain records pertinent to Contract for a period of not less than five (5) years after final payment under Contract or until a final audit report is accepted by County, whichever occurs first. Contractor hereby agrees to be subject to the examination and audit by the County Auditor-Controller, the Auditor General of the State of California, or the designee of either for a period of five (5) years after final payment under Contract.

4.20 Data Security and Privacy – Protected Information  
Contractor acknowledges that its performance of services or activities under Contract may involve access to confidential information including, but not limited to, personally-identifiable information, protected health information, or individual financial information (collectively, “Protected Information”) that is subject to Federal, State or other laws restricting the use and disclosure of such information. Contractor agrees to comply with all applicable Federal and State laws restricting the access, use and disclosure of Protected Information.

a. Contractor agrees to hold County’s Protected Information, and any information derived from such information, in strictest confidence. Contractor shall not access, use or disclose Protected Information except as permitted or required by Contract or as otherwise authorized in writing by County, or applicable laws.

b.
