Charlene Sargent, Director, Pacific Union Conference
Adventist Community Services Disaster Response

Charlene has vast knowledge and experience with donation management, including the recent hurricanes in Texas and Florida. Charlene teaches Volunteer and Donations Management (G288) a course designed to strengthen the abilities of local jurisdictions to successfully prepare for and handle volunteer and donations management issues that may arise. The course content and activities may also serve as a template, thereby enhancing uniformity in addressing areas of donated unsolicited goods, unaffiliated volunteers, and undesignated cash. This is a very timely topic.
