

COUNTY OF SANTA CRUZ, CALIFORNIA
INTERNAL SERVICE FUNDS
June 30, 2002

Internal service funds used at the County are listed below:

The **Central Duplicating** fund accounts for the County print shop, copy center, and mail room. Customers pay user fees for services provided.

The **Information Services** fund accounts for data processing and telecommunication services provided to County departments. Services are paid for by charging user fees for services provided.

The **Public Works** fund accounts for such County functions as construction and maintenance of the County road system and management of certain special districts and other related activities.

The **Service Center** fund accounts for maintenance of the County fleet of vehicles and for related services to other County departments. Services are financed by user fees for services provided.

The **Self-Insurance** funds account for the County's self-insured risk management, dental and health, liability and property, worker's compensation, employee benefit staffing, and state compensation insurance programs.
