I understand the Live Scan information and results will be reviewed by the Santa Cruz County Sheriff's Office who will certify the information to the Cannabis Licensing Office pursuant to the standards established under the Santa Cruz Ordinance Code Chapter 7.130.

7.130.011(F)(7): A failed Live Scan is a Live Scan report that includes any felony conviction within the past 10 years and/or reflects that the applicant, anyone with ownership interest in the dispensary, or a dispensary manager is currently on parole or probation related to a felony conviction. Felony convictions for cannabis related convictions prior to January 1, 2014 will not result in a failed live scan, unless the offense involved sales to a minor.
