

Santa Cruz County Cannabis Licensing Application Process and Project Scoping Session

June 28, 2018 @ 5 PM
5th Floor Board Chambers, 701 Ocean Street, Santa Cruz

- ❖ We'll post a link on our News page to Live Streaming that will activate at 5 PM day of workshop: <http://www.co.santa-cruz.ca.us/CannabisLicensingOffice/News.aspx>
- ❖ Come in person to ask your questions and meet with licensing authorities

Presenters:

Santa Cruz County – Cannabis Licensing Office
w/CalFire Guest Speaker!

State Water Resources Control Board – Division of Water Rights Central
Coast Water Board – Irrigated Lands Regulatory Program California
Department of Fish and Wildlife – Cannabis Program

- ✓ Focused study session on local application requirements including tips on how to scope your project and the critical initial steps you should take to prepare your license application for land use permitting and licensing

We'll help settle some common areas of confusion and answer any of your questions about the application and regulations

- ✓ State officials return to provide State Cannabis Licensing updates and will be available to help answer your licensing questions outside the chambers

Questions?

Loretta Moreno at 831.454.3406
