THE JOB

The Santa Cruz County Sheriff's Office is seeking a skilled **Forensic Pathologist** to lead and coordinate forensic pathology activities. This unique **part-time** opportunity (*at least 30 hours per week*) allows you to make a significant impact in criminal and medicolegal investigations while enjoying flexibility in your schedule.

Key Duties:

- **Lead Forensic Investigations** – Set standards for forensic autopsies and ensure a secure chain of custody.
- **Perform Autopsies & Determine Cause of Death** – Conduct detailed forensic autopsies and external examinations to uncover crucial evidence.
- **Oversee Crime Scene Investigations** – Direct forensic scene examinations, ensuring accurate evidence collection, preservation, and reconstruction.
- **Document & Report Findings** – Prepare comprehensive forensic reports and collaborate with law enforcement and judicial teams.
- **Testify as an Expert Witness** – Present findings in court to support criminal and civil cases.
- **Train & Guide Law Enforcement** – Provide expert training on forensic evidence collection and death investigations.
- **Supervise & Consult** – Oversee Coroner Forensic Technicians, contract forensic pathologists, and advise law enforcement, the District Attorney, and Public Health officials.
- **Emergency Response** – Serve as a key forensic resource in times of crisis.

If you're a forensic pathology professional seeking a flexible yet impactful role, we'd love to hear from you!
