## **THE JOB:**

The Agricultural Commission is now hiring for several seasonal, limited-term positions. The list established from this recruitment will be used to fill the current vacancies and future part-time, full-time, substitute and extra-help temporary positions during the life of the eligible list.

**THE JOB:** Under supervision, perform a variety of non-professional tasks in the field in support of agricultural and/or public health mosquito and vector control activities.

There are three specialty areas as described below:

**Pest Detection Trapper:** Identifies target insects; follows the State Insect Trapping Guide; places, services and relocates insect traps within the county; recognizes preferred host plants of the target insects; removes all traps from the field at the end of the trapping season; handles, documents, and submits insect specimens; maintains equipment, supplies and submits accurate daily records.

**Inspection Program:** Thoroughly inspects incoming glassy-winged sharpshooter (GWSS) host plants/containerized nursery stock; protects Santa Cruz agriculture industry, home gardens, and parks from GWSS infestations; sets and services yellow panel insect traps at nurseries within the county.

**Vector Control Aide:** Supports vector control program staff; conducts field and laboratory activities; conducts mosquito surveillance; detects mosquito-borne viruses; uses a microscope to sort, count and identify; uses a taxonomic key; picks up dead birds; prepares samples; lab submissions; samples potential breeding places; keeps data records and electronic maps; assists with trail clearing using brush cutting equipment; distributes informational materials; under supervision, conducts vector control inspections and applies pesticides; maintains traps and equipment; assists in tick surveillance and control efforts for other vectors; uses scientific skills to perform related work as required.

## **THE REQUIREMENTS:**

**THE REQUIREMENTS:** Any combination of education and experience which would provide the required knowledge and abilities is qualifying, unless otherwise specified.

**SPECIAL REQUIREMENTS:** License Requirements: Possession of a valid California Class C Driver License at the time of appointment. (Note: Candidates with an out of state license may apply and go through recruitment and examination process, however verification of CA License must be provided at time of appointment).

**Special Working Conditions:** Exposure to variable temperatures and weather conditions which include exposure to sun; allergens such as poison oak, pollen and bee stings; odors caused by alcohol or lures that may contain dilute pesticides; slippery surfaces; toxic agricultural and public health pesticides; wetness, such as while walking through creeks, ponds and sloughs to conduct mosquito surveillance; odors, such as from marshes and septic water; potential infections, such as tick-borne Lyme disease or mosquito-borne viruses; aggressive animals, poisonous plants and animals; irate or hostile individuals; hazardous gases and chemicals.

## **KNOWLEDGE:**

**Some knowledge of:** Record keeping and arithmetic General computer skills

## **ABILITY TO:**

Maintain accurate and legible field notes and prepare simple reports; Input and access information using a computer and/or mobile device; learn and apply routine inspection and sampling procedures; understand and follow oral and written instructions; make arithmetic computations; establish and maintain cooperative relationships with the public, co-workers, and others contacted in the course of work; wade through thigh deep water; distinguish colors and fine detail to perform tasks such as identifying exotic and common insects; organize inspection routes for maximum efficiency; prepare accurate maps marking locations of traps; read and interpret street maps and use mapping programs for direction; work independently in the field; perform tasks requiring bending, stretching, twisting, reaching, or squatting; move across broken or hilly terrain that may be slippery or wet; lift objects up to 40 pounds, such as a backpack motorized sprayer filled with insecticide or, a 5-gallon bucket filled with water

## **THE EXAMINATION:**

Your application and supplemental questionnaire will be reviewed to determine if you have met the education, experience, training and/or licensing requirements as stated on the job announcement. If you meet these criteria and are one of the best qualified, you may be required to compete in any combination of written, oral and/or performance examinations or a competitive evaluation of training and experience as described on your application and supplemental questionnaire. You must pass all components of the examination to be placed on the eligible list. The examination may be eliminated if there are ten or fewer qualified applicants. If the eligible list is established without the administration of the announced examination, the life of the eligible list will be six months and your overall score will be based upon an evaluation of your application and supplemental questionnaire. If during those six months it is necessary to administer another examination for this job class, you will be invited to take the examination to remain on the eligible list.

Women, people of color and people with disabilities are encouraged to apply. If you have a disability that requires test accommodation, please call (831) 454-2600.

To comply with the 1986 Immigration Reform and Control Act, Santa Cruz County verifies that all new employees are either U.S. citizens or persons authorized to work in the U.S.

Some positions may require fingerprinting and/or background investigation.

## **HOW TO APPLY:**

Apply online at [www.santacruzcountyjobs.com](http://www.santacruzcountyjobs.com) or mail/bring an application and supplemental questionnaire to: Santa Cruz County Human Resources Department, 701 Ocean Street, Suite 510, Santa Cruz, CA 95060. For information, call (831) 454-2600. Hearing Impaired TDD/TTY: 711. Applications will meet the final filing date if received: 1) in the Human Resources Department by 5:00 p.m. on the final filing date, 2) submitted online before midnight of the final filing date.

## AGRICULTURAL BIOLOGIST AIDE – SUPPLEMENTAL QUESTIONNAIRE

The supplemental questions are designed specifically for this recruitment. Applications received without the required supplemental information will be screened out of the selection process. Employment experiences referred to in your response must also be included in the Employment History section of the application.

**NOTE: Please answer the question(s) below as completely and thoroughly as possible, as your answer(s) may be used to assess your qualifications for movement to the next step in the recruitment process.**

1. List any experience with detailed record keeping, preparing reports, and computer data entry.
2. List any experience with public contact and customer service.
3. Describe your experience, if any, related to the three specialty areas described above. Include any work, education, and/or volunteer experience.
  - a) Pest Detection Trapper
  - b) Inspection Programs
  - c) Vector Control Aide
