County Equity Statement

Equity in action in Santa Cruz County is a transformative process that embraces individuals of every status, providing unwavering support, dignity, and compassion. Through this commitment, the County ensures intentional opportunities and access, fostering an environment where everyone can thrive and belong.

ABOUT THE POSITION

Under general direction, incumbents plan, develop, organize, analyze, direct and evaluate a variety of aquatics programs in the Parks, Open Space and Cultural Services Department (POSCS); assess community needs for aquatics programs, facility requirements, and special events; develop program budgets; obtain grants, administer contracts, and develop revenue sources to fund the various programs; and do other work as required. **The list established will be used to fill the current vacancy and it may also be used to fill other vacancies during the life of the eligible list.**

SUMMARY OF QUALIFICATIONS

Any combination of training and experience that would provide the required knowledge and abilities is qualifying. A typical way to obtain these knowledge and abilities would be:

Completion of a four-year college program with major coursework in recreation or a related field and one year of experience coordinating or supervising aquatics program activities or aquatics special events.

OR

Completion of a two-year college program with major coursework in recreation or a related field and two years of experience coordinating or supervising aquatics program activities or aquatics special events

OR

Four years of experience coordinating or supervising aquatics and/or recreation program activities or special events, at least two years of which must be in aquatics.

A Master's degree in recreation or a related field may substitute for up to 6 months of the required two years of experience coordinating or supervising aquatics program activities or special events.

SPECIAL REQUIREMENTS

Possession of a valid American Red Cross (ARC) lifeguard training certificate*; Possession of a valid ARC CPR for the Professional Rescuer (CPR Pro) certificate* or American Heart Association Basic Life Support (BLS) for the Health Care Profession (Provider C).
