What are property taxes and the different types?

¿Qué son los impuestos sobre la propiedad y cuáles
son los diferentes tipos?

What Are Property Taxes?

¿Qué son los impuestos sobre la propiedad?

Property taxes are collected by the County Tax Collector for schools, county government, cities, and special districts. The California Revenue and Taxation Code governs the collection of property taxes in the State of California.

Los impuestos sobre la propiedad son recaudados por el Recaudador de Impuestos del Condado para escuelas, el gobierno del condado, las ciudades y los distritos especiales. El Código de Ingresos y Tributación de California rige la recaudación de impuestos sobre la propiedad en el estado de California.

Different Types of Property Taxes

Diferentes tipos de impuestos sobre la propiedad

- **Secured versus Unsecured**

Con garantía versus sin garantía

- **Current Owner versus Prior Owner**

Propietario actual versus propietario anterior

- **Three Different Types of Property Tax Bills: Annual, Supplemental, Escape**

Tres tipos diferentes de facturas de impuestos sobre la propiedad: anual, suplementaria y de escape.

Annual – Regular property tax bill mailed out once per year

Anual – La factura del impuesto predial se envía por correo una vez al año.

Supplementals – occur when a change or ‘event’ affecting a property triggers a reassessment.

Suplementarias – Se producen cuando un cambio o "evento" que afecta a una propiedad desencadena una reevaluación.

Escapes – are additional property tax assessments levied when property has been under-assessed in previous years, typically due to unreported improvements, changes in ownership or use, or assessment errors.

Escape – son impuestos adicionales de propiedad que se recaudan cuando la propiedad haya sido evaluada en años anteriores a menos del valor actual. Esto puede suceder cuando hubo innovaciones a la propiedad que no se reportaron, cambio de dueño o cambios de uso o evaluaciones que se hicieron incorrectamente.

Property Tax Deadlines per CA Revenue and Taxation Code

Plazos para el pago del impuesto predial según el Código de Ingresos y Tributación de California

Annual Property Tax Bills Mandatory Deadlines

- **Annual Property Tax Bills are Mailed in October**

Las facturas anuales del impuesto sobre la propiedad se envían por correo en octubre.

- **The First Installment is DUE November 1st, but taxpayers have until December 10th to pay without penalties.**

El primer pago es el 1ro. de noviembre, pero los contribuyentes tienen hasta el 10 de diciembre para pagar sin recargos.

- **The Second Installment is DUE February 1st, but taxpayers have until April 10th to pay without penalties.**

El segundo pago es el 1ro. de febrero, pero los contribuyentes tienen hasta el 10 de abril para pagarlo sin recargos.

- **Payments sent by mail are considered timely based on the postmark date, in accordance with California Revenue and Taxation Code.**

Legalmente nos guiamos por el matasellos (si se envía por correo) según el Código de Ingresos y Tributación de California.
