<p>Dec-20</p>	<p>The Probation Department continues to support and collaborate with the multi-agency AB109 Community Engagement and Education Work Group (CEEW) in finalizing a community-wide plan for adoption of the Blueprint for Shared Safety originally developed by Californians for Safety and Justice. The final report from the planning process was approved by the Community Corrections Partnersip and presented to the Board on October 20, 2020. The CEEW is now working with Probation and the District Attorney's office to follow-up with the priority recommendations to improve services for crime survivors and to better engage them in on-going planning for the criminal justice system. The District Attorney's Office, along with CRC, successfully conducted two Neighborhood Court panels in December 2020. Amendements to CRC's contract are in progress to add Victim Awareness classes to the Prop 47 CAFES resource list to support Restorative Justice principles. A Juvenile contract with CRC expanded Victim Awareness and Victim Offender Dialogue, as well as Parent Teen Mediation services via two grants through BSCC: Title II (STAR - Stable Transitions After Re-entry); and a Youth Reinvestment grant (CRYJ - Community Reclaiming Youth Justice).</p>
<p>Jun-21</p>	<p>Following the successful launch of the Neighborhood Courts (NHC) Diversion Program in December 2020, the District Attorney's Office and Conflict Resolution Center continue to hold weekly conferences. Additionally, Victim Awareness workshops are in the planning and implementation stage, set to begin at the Probation Service Center in June 2021</p>
