

County Plan #	Objective Title	Objective	Target
#167	Impact Contracting	By June 2021, Probation will increase outcome based service agreements by 80% for the delivery of client services.	0.8 Outcome-Based Contracts
Measurement			
Number of professional service agreements object 62381 (<i>n</i> 95) that provide direct client services (<i>n</i> 60) have outcomes (<i>n</i> 50) associated to the services being delivered as part of their data and reporting requirements.			
Collection Method			
EZOne report on 21P, 21B, and 21C agreements under object Professional Services (62381). Eliminated agreements that did not provide direct client services (such as alarm and cleaning services). Referenced agreement scopes of work in the One Solutions system to identify if agreement included outcome reporting.
