

County Plan #	Objective Title	Objective	Target
222	Debt Reduction: Increase Participants	By June 2023, Child Support Services will increase the number of customers participating in the Debt Reduction Program by 10% greater than the prior State Fiscal Year annual period (July through June).	Approved Applications: 17
Measurement			
Tabulate approved applications, targeting a quantity of at least 10% Greater than the Prior Year End total sum.			
Collection Method			
In California, the child support program is administered by 47 county and regional local child support agencies (LCSAs), in partnership with local courts. Monthly, the State Department of Child Support Services (CA DCSS) compiles data for each LCSA and publishes the results according to the federal fiscal year annual period of October 1 through September 30. The datum is the State's Report: Debt Reduction Program Total Applications Received/Processed/Approved & Denied SFY 2022-2023.
