

County Plan #	Objective Title	Objective	Target
245	Father Engagement	By June 2023, Human Services will increase engagement of fathers, with 80% of cases with a reunification goal having a father participating in child welfare case planning.	80%
Measurement			
<i>This measure looks at the percentage of fathers who are included in case plans for children who have been removed from their homes and have a reunification goal.</i>			
Collection Method			
<i>Data for this objective comes from Social Workers entering data into CWS/CMS and analyzed on a semi-annual basis.</i>
