## How to vote with a paper ballot

At the polling place, you can choose to vote on a touchscreen or paper ballot.

### Mark your ballot

Draw a single line to connect the head and tail of the arrow that points to your choice.

Use only a blue or black ballpoint ink pen. Do not use red ink pens, Sharpies, markers or any other type of pen.

**Do not sign your name** on your ballot, write your initials, or write any other words or marks on your voted ballot.

To vote for a qualified write-in candidate, write their name on the blank line at the end of the list of candidates. Then connect the arrow pointing to that name.

A list of qualified write-in candidates is available at the polling place on Election Day. The list is posted on our website at [www.votescount.com](http://www.votescount.com) 13 days before the election

### Check your ballot carefully

If you make a mistake, ask a poll worker for a new ballot or follow the instructions in your vote-by-mail ballot packet.

Don't vote for too many

Vote for the number allowed

Always connect the arrow, even on a write-in vote

### Cast your ballot at the scanner

After you have marked your ballot, take it to the scanner and insert your ballot.

If you made a mistake, such as voting for too many candidates, the scanner will eject your ballot so you can correct it.

**All voters can now vote in the primary election.**

**Voting for President depends on the party you are registered with.**

A primary election in June chooses the candidates who will run in the General Election in November. You may see three different types of primaries on your ballot. **The way each primary works depends on the office.**

### How to vote in the Presidential Primary

**Six political parties are holding Presidential Primaries:**

- Democratic
- American Independent
- Libertarian
- Republican
- Green
- Peace and Freedom

**If you are registered with one of these parties,** your ballot will include the candidates running for that party's nomination. If you are registered with one political party, you may not vote a ballot for another political party.

You can only vote for the County Central Committees/County Councils if you are registered with that party.

If you are not registered with one of the six political parties, or if you registered Decline to State, Independent, or Nonpartisan, you are a **No Party Preference (NPP) Voter**.

**Three parties allow NPP voters to vote in their presidential primary:**

- Democratic
- American Independent
- Libertarian

If you want to vote in one of these party primaries, you must ask for that ballot. Otherwise you will receive a Nonpartisan ballot that will not include the office of President.

**Three parties allow only voters registered with their party to vote in their presidential primary:**

- Republican
- Green
- Peace and Freedom

**If you want to change your party registration before the primary,** the last day to re-register to vote is May 23, 2016. You can register to vote online at [registertovote.ca.gov](http://registertovote.ca.gov) or cards are available at post offices, city halls, libraries and the County Elections Department.

### How to vote in the California Top-Two Primary

In a Top-Two Primary, you can cast your vote for any candidate.

- All candidates from all parties will be on the ballot for these contests.
- You don't have to be registered with a party to vote on these contests.
- You can vote for a candidate from any party.
- You can "write in" a candidate in the Primary Election.
- The two candidates with the most votes will appear on the General Election ballot even if they have the same party preference.

Nonpartisan offices: County Supervisor and County offices are always open to all eligible voters.

### What does party preference mean?

Voters may either register with a political party preference or choose "none."

A candidate's party preference does not necessarily mean that they have that political party's support. The list of candidates who receive a party's official endorsement is in the county Voter Information Guide.

## Accessible Voting

### At the polling place

To check polling place accessibility, look for the wheelchair symbol on the back cover of this guide.

In some polling places, temporary thresholds, ramps, signage, cones, and door props, are used to improve access to the facility.

### Curbside voting

To request curbside voting assistance, you can:

- call in advance to coordinate a time and place.
- have an assistant make the request inside the polling place.

### Accessible voting system

Each polling place in the county has a touchscreen voting system with:

- an audio option that reads the ballot to you
- a universal plug for personal assistive device
- large print (24 points)
- a choice of English or Spanish

### A ride to your polling site

We can arrange to have an accessible van pick you up and take you to the polls to vote. Please call prior to Election Day to make an appointment.

### Ballot delivery to your home

We can deliver a ballot to your home and return it to the Elections Department. Please call before Election Day so there will be enough time to provide assistance.

## Cómo votar en una elección primaria

### Cómo votar en la Elección Primaria Presidencial

Seis partidos políticos llevarán a cabo Elecciones Primarias Presidenciales:

- Demócrata
- Independiente Americano
- Libertario
- Republicano
- Verde
- Paz y Libertad

**Si usted está inscrito en uno de estos partidos**, su boleta electoral incluirá a los candidatos que se postulen para la nominación de ese partido. Si usted está inscrito en un partido político, no podrá emitir una boleta electoral para otro partido político. Solo puede votar para los Comités Centrales del Condado/Concejos Municipales del Condado si usted está inscrito en ese partido.

Si no está inscrito en uno de los seis partidos políticos, o si se inscribió eligiendo la opción Rehusa a Declarar, Independiente o No Partidista, usted es un **Elector Sin Preferencia de Partido (NPP)**.

Tres partidos permiten a los electores NPP votar en la elección primaria presidencial:

- Demócrata
- Independiente Americano
- Libertario

Si desea votar en una de estas elecciones primarias de partido, debe solicitar esa boleta electoral. De lo contrario, recibirá una boleta electoral No Partidista que no incluirá el cargo de Presidente.

Tres partidos permiten solo a los electores inscritos en su partido votar en su elección primaria presidencial:

- Republicano
- Verde
- Paz y Libertad

**Si desea modificar la inscripción de su partido antes de la elección primaria**, el último día para volver a inscribirse para votar es el 23 de mayo de 2016. Puede registrarse para votar en línea en [registertovote.ca.gov](http://registertovote.ca.gov) o tarjetas están disponibles en las oficinas de correos, ayuntamientos, bibliotecas y el Departamento de Elecciones del Condado.

### Cómo votar en la Elección Primaria de los Dos Principales de California

En una Elección Primaria de los Dos Principales, puede emitir su voto para cualquier candidato.

- Todos los candidatos de todos los partidos figurarán en la boleta electoral en estas contiendas.
- No es necesario que esté inscrito en un partido para votar en estas contiendas.
- Puede votar por un candidato de cualquier partido.
- Puede emitir un "voto escrito" para un candidato en la Elección Primaria.
- Los dos candidatos con la mayoría de votos aparecerán en la boleta electoral de la Elección General aun si tienen la misma preferencia de partido.

Cargos No Partidistas: Supervisor del Condado y oficinas del Condado siempre están abiertos para todos los electores elegibles.

### ¿Qué significa preferencia de partido?

Los electores pueden inscribirse con una preferencia de partido político o elegir "ninguna."

La preferencia de partido de un candidato no necesariamente significa que cuenta con el apoyo de ese partido político. La lista de candidatos que reciben el respaldo oficial de un partido se encuentra en la Guía de Información para el Elector del condado.

### En la mesa electoral

Para verificar la accesibilidad de la mesa electoral, busque el símbolo de la silla de ruedas en la contraportada de este guía.

En algunas mesas electorales, los umbrales temporales, rampas, **señales**, conos, y sostenes para las puertas, se utilizan para mejorar el acceso a las instalaciones.

**Casey Lucius**  
**U.S. Representative, 20th District**  
**Party Preference: Republican**  
**Occupation: National Security Professor** **Age: 39**

Education and Qualifications:  
 I'm the daughter of a secretary and a factory worker. We lived paycheck-to-paycheck, and moved from one apartment to another when the rent was raised. I worked my way through college, but like many others, I worried if my paycheck would be enough for tuition, rent, and groceries. I spent seven years as a Naval Intelligence Officer, earned a Master's and Ph.D., taught at universities around the world, and was eventually elected to the Pacific Grove City Council. The Central Coast is my home. This is where I raise my family, volunteer, live, and work. I'm your neighbor.

I have fought my entire life to get ahead, and I will fight every day in Congress to advance solutions to the challenges facing our community. This includes education reform that honors teachers and empowers children; immigration reform that supports entrepreneurship while making the American Dream achievable for everyone; housing and banking reform that ensures affordability and accessibility; water and transportation infrastructure to meet our district's current and future needs; and the protection of our irreplaceable natural environment. My personal and professional experiences make me uniquely qualified to address these problems while providing the leadership needed to bring stability and security to our increasingly dangerous world.

Our families deserve action and practical solutions. I will go to Washington to serve you. I will fight for you and for the Central Coast.

**Casey Lucius**  
**Representante de EE. UU., Distrito 20**  
**Preferencia de Partido: Republicano**  
**Ocupación: Profesor de Seguridad Nacional** **Edad: 39**

Educación y Currículum Vitae:  
 Soy hija de una secretaria y un trabajador de una fábrica. Vivimos de sueldo en sueldo, y nos mudábamos de un apartamento a otro cuando nos aumentaban el alquiler. Me abrí paso hasta el colegio, pero al igual que muchas personas, me preocupaba que el sueldo alcance lo suficiente para la matrícula, el alquiler, y las compras. Dedicé siete años como Oficial de Inteligencia Naval, obtuve un título de Maestría y un Doctorado, enseñé en universidades de todo el mundo, y eventualmente fui electa para el Concejo Municipal de Pacific Grove. La Costa Central es mi hogar. Aquí es donde crío a mi familia, trabajo de voluntaria, vivo, y trabajo. Soy su vecina.

He luchado toda la vida para salir adelante, y lucharé todos los días en el Congreso para impulsar soluciones para los desafíos que enfrenta nuestra comunidad. Esto incluye la reforma educativa que honra a los maestros y faculta a los niños; la reforma inmigratoria que respalda la iniciativa empresarial y, a la vez, hace que el Sueño Americano sea alcanzable para todos; reforma habitacional y bancaria que garantice asequibilidad y accesibilidad; infraestructura de agua y transporte para satisfacer las necesidades actuales y futuras de nuestro distrito; y la protección de nuestro medio ambiente natural irremplazable. Mi experiencia personal y profesional me califican exclusivamente para abordar estos problemas y, a la vez, ofrecer el liderazgo necesario para traer estabilidad y seguridad a un mundo cada vez más peligroso.

Nuestra familias se merecen acción y soluciones prácticas. Iré a Washington a servirle. Lucharé por usted y por la Costa Central.

**Barbara Honegger****U.S. Representative, 20th District****Party Preference: None****Occupation: Political-Military Affairs Author**

I am a committed Independent with a decades-long record of courageously serving the public interest. I have served in high-level positions in the Federal Government, including White House Policy Analyst and Special Assistant to the Assistant to the President, and for over a decade was the Senior Military Affairs Journalist at the Naval Postgraduate School -- the premiere science, technology and national security affairs graduate research university of the Department of Defense.

From my position as Director of the Attorney General's Gender Discrimination Law Review at the U.S. Department of Justice, I exposed the Administration's plan to weaken the enforcement of all federal Civil Rights laws, resigning publicly to a week of national publicity that interfered with the plan.

My book 'October Surprise', exposing the deep story behind the Iran side of the Iran/Contra scandal, led to an official investigation by the U.S. House of Representatives.

I was the elected Congressional District Coordinator for Ross Perot's independent United We Stand America, for what was then California Congressional District 17, now CD 20, and was National Coordinator for Women for the Rev. Jesse Jackson's campaign for President.

**Jimmy Panetta**  
**U.S. Representative, 20th District**  
**Party Preference: Democratic**  
**Occupation: Prosecutor** **Age: 46**

Being a member of Congress is about giving people the opportunity for a better life.

Growing up on the Central Coast in a household committed to public service, I've dedicated my career to upholding that tradition.

When I take my daughters to school, I'm proud that they go to the same public school that I attended. I graduated from MPC, UC Davis, and Santa Clara University Law School.

In the District Attorney's Office, I prosecuted violent gang members and delivered justice for victims and their families. I ensured that those open to rehabilitation were given resources to move away from crime.

As an Officer in the U.S. Navy Reserve, I volunteered to serve our country in Afghanistan and received the Bronze Star Medal.

At home, I worked closely with veterans and local leaders to establish a veterans cemetery and treatment court, and was recognized as a 2015 Veteran of the Year.

The grandson of immigrants, I'll fight for common sense immigration reform with a path to citizenship for law-abiding families.

I'll protect jobs in our area by supporting a robust diverse economy in agriculture, tourism, education, research, small businesses, and high tech.

I'll be a strong voice to protect our priceless coastline, environment, and future of our planet.

I'll work tirelessly for pay equity and to protect a woman's right to choose.

I'll bring energy, new ideas, and a fresh perspective to solve problems facing Central Coast families.

I'd be honored by your vote.

Ser miembro del Congreso tiene que ver con darle a la gente la oportunidad de una vida mejor.

Crecí en la Costa Central en un grupo familiar comprometido con el servicio público, y he dedicado mi carrera a defender esa tradición.

Cuando llevo a mis hijas a la escuela, me llena de orgullo saber que asisten a la misma escuela pública a la que yo asistí. Me gradué de MPC, UC Davis, y la Facultad de Derecho de la Universidad de Santa Clara.

En la Oficina del Fiscal del Distrito, enjuicié a violentos miembros de pandillas e hice justicia por las víctimas y sus familias. Garantiqué que las personas abiertas a la rehabilitación obtuvieran los recursos para alejarse de los delitos.

Como Funcionario de la Reserva de la Marina de EE. UU., fui voluntario para servir a nuestro país en Afganistán y recibí la Estrella de Bronce.

En casa, trabajé de cerca con veteranos y líderes locales para establecer un cementerio de veteranos y una corte de tratamiento, y fui reconocido como Veterano del Año de 2015.

Como nieto de inmigrantes, lucharé por una reforma inmigratoria con sentido común que abra el camino a la ciudadanía para las familias que respeten la ley.

Protegeré los empleos en nuestra área apoyando una economía diversa sólida en agricultura, turismo, educación, investigación, pequeñas empresas, y alta tecnología.

Seré una voz fuerte para proteger nuestra línea costera invaluable, nuestro medio ambiente, y el futuro de nuestro planeta.

Trabajaré incansablemente para la igualdad salarial y para proteger el derecho de una mujer a elegir.

Aportaré energía, ideas nuevas, y una perspectiva diferente para resolver los problemas que enfrentan las familias de la Costa Central.

Me sentiría honrado con su voto.

**Bill Monning**  
**State Senate, 17th District**  
**Party Preference: Democratic**  
**Occupation: CA State Senator** **Age: 65**

Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together.

Since joining the State Legislature, I've authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this July. My legislation in Sacramento and ability to secure funding helped break the logjam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we've passed balanced, on-time budgets five years in a row and put the State's fiscal house in order. We've made great strides toward tackling our State's pension obligations while restoring critical funding to education, healthcare, and public safety.

I've earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That's why I'm asking you to send me to the State Senate for another term.

Please visit [www.billmonning.org](http://www.billmonning.org). I'd be honored by your vote on June 7th. Thank you!

**Bill Monning**  
**Senado Estatal, Distrito 17**  
**Preferencia de Partido: Demócrata**  
**Ocupación: Senador Estatal de CA** **Edad: 65**

Hace ocho años, usted me mandó a Sacramento para marcar la diferencia, y me enorgullece lo que hemos podido lograr juntos.

Desde que me uní a la Legislatura Estatal, fui autor de más de 80 proyectos de ley promulgados por el Gobernador, incluida la innovadora Ley de Opción del Final de la Vida, que otorga a los pacientes terminales una forma compasiva de controlar sus propias vidas – sujeta a pautas estrictas.

Luego de años de trabajo intenso con varios socios clave, el nuevo Cementerio para Veteranos de la Costa Central de California tiene previsto abrir el próximo mes de julio. Mi legislación en Sacramento y la capacidad para asegurar financiamiento ayudó a romper el estancamiento para honrar a quienes sirvieron a nuestra nación con un lugar final para descansar, con lo cual se cumplió la promesa realizada hace más de dos décadas.

En Sacramento, hemos aprobado presupuestos equilibrados a tiempo durante cinco años consecutivos y pusimos orden en la casa fiscal del Estado. Hemos avanzado mucho para encarar las obligaciones en materia de jubilación del Estado y, a la vez, restaurar el financiamiento crítico para la educación, la atención médica, y la seguridad pública.

Obtuve las calificaciones más altas de la Federación de Trabajadores de California, la Liga de Votantes por la Conservación de California, el Club Sierra, y la Federación de Consumidores de California.

Si bien nuestra economía se ha recuperado desde la Gran Recesión, debemos continuar enfocándonos en la creación de empleos mediante el fortalecimiento de la columna vertebral de nuestra economía local: la agricultura, el turismo, y nuestros institutos educativos.

Es por esto que le pido que me envíe al Senado Estatal por otro período.

Por favor visite [www.billmonning.org](http://www.billmonning.org). Sería un honor tener su voto el 7 de junio. ¡Gracias!

**Mark Stone**  
**State Assembly, 29th District**  
**Party Preference: Democratic**  
**Occupation: Assemblymember** **Age: 59**

For nearly twenty years, I have fought to improve our quality of life in California as a School Board Member, County Supervisor, Coastal Commissioner and your Assemblymember. You sent me to Sacramento to advocate for the rights of people in the 29th Assembly District and across our state. During my service in the Assembly, I have prioritized protecting the most vulnerable Californians. I authored comprehensive reforms to help foster youth grow up in supportive homes. I jointly wrote the End of Life Options Act to help people facing terminal illness. I led the movement to create a state Earned Income Tax Credit to lift the state’s poorest working families out of poverty. I helped improve access to justice in the court system, and I wrote a variety of laws to improve public safety, and to help people released from prison successfully integrate into their communities, and decrease their chances of reoffending.

As a dedicated environmentalist, I have remained steadfast against strong opposition to critical environmental protections. I advocated for landmark climate-change laws, and laws to provide clean drinking water, increase water recycling, and improve groundwater management. I was a key voice for California’s 2014 plastic bag law to reduce plastic pollution.

It is an honor to have the support of so many elected officials, respected business leaders, education, and health care professionals and the environmental community. I hope that I have earned your vote.

**Mark Stone**  
**Asamblea del Estado, Distrito 29**  
**Preferencia de Partido: Demócrata**  
**Ocupación: Miembro de la Asamblea** **Edad: 59**

Por cerca de veinte años, he luchado para mejorar nuestra calidad de vida en California como Miembro de la Junta Escolar, Supervisor del Condado, Comisionado Costero y su Miembro de la Asamblea. Usted me mandó a Sacramento para defender los derechos de la gente en el Distrito de Asamblea 29 y en todo nuestro estado. Durante mi servicio en la Asamblea, he puesto como prioridad la protección de los habitantes de California más vulnerables. Fui autor de reformas integrales para ayudar a promover el crecimiento de los jóvenes de cuidado en hogares que los apoyen. Redacté conjuntamente la Ley de Opciones para el Final de la Vida para ayudar a las personas que se enfrentan a una enfermedad terminal. Dirigí el movimiento para crear un Crédito del Impuesto sobre la Renta de California, para sacar de la pobreza a las familias trabajadoras más pobres del estado. Ayudé a mejorar el acceso a la justicia en el sistema judicial, y redacté diversas leyes para mejorar la seguridad pública, y para ayudar a las personas liberadas de prisión a que se integren satisfactoriamente a sus comunidades, y disminuir las posibilidades de que reincidan.

Como una persona dedicada a la protección del medio ambiente, he luchado firmemente en contra de la oposición a importantes protecciones ambientales. He defendido las leyes relevantes sobre el cambio climático, y las leyes para el suministro de agua potable limpia, el aumento del reciclaje del agua, y la mejora de la gestión de aguas subterráneas. Fui una voz clave para aprobar la ley sobre el uso de bolsas de plástico de California de 2014 para reducir la contaminación por plástico.

Es un honor contar con el respaldo de muchos funcionarios electos, líderes respetados en el ámbito de los negocios, profesionales de la educación, y la atención médica y la comunidad ambiental. Espero haberme ganado su voto.

Argument against Measure Q	Reply: Rebuttal to argument against Measure Q
<p>As a Cabrillo professor and son of <b>retired school administrators</b>, I've never voted against a school bond. But I'm voting <b>against this one</b>. This is why, in 300 words. It may seem complicated, but here it is.</p> <ul style="list-style-type: none"> <li>• In <b>June 2013</b>, the college published a "Facility Master Plan", a document normally produced on a five-year cycle. It outlined <b>\$24.7 million</b> of facility costs, split evenly between capital costs and maintenance.</li> <li>• The current president started the following month, and by <b>June 2015</b>, the "Facility Master Plan Update" still identified \$12 million of capital projects, plus \$50 million of maintenance—to more accurately account for the total cost of ownership—plus \$3.4 million of technology. Now we're at <b>\$65 million</b>.</li> <li>• In <b>October 2015</b>, a bond firm advised that the college could likely get as much as <b>\$310 million</b>. (For perspective, the last bond of \$118 million built the <i>Allied Health Complex; Student Activity Center</i>, and the entire <i>Visual, Applied, and Performing Arts Complex</i> with 3 theaters, classrooms, practice rooms and studios.)</li> <li>• \$310 million—which will cost the taxpayers <b>\$623 million</b> to pay back, principle and interest—is a staggering amount of money. Especially for a campus that has, according to the 2015 Educational Master Plan, over 150,000 square feet of excess space.</li> </ul> <p>So how did we get to this point, when just 8 months earlier our 10-year needs were at most \$65 million? A bond consultant told us we could. And if you think that "we" are the college, and "they" are the taxpayers, it makes sense: We get \$310 million and they get the \$623 million bill.</p> <p>But if you think your community college belongs to the community, please join me to <b>vote no on Measure Q</b>.</p> <p><b>Dr. Ray Kaupp, Principle Officer*</b> Responsible Educators Against Measure Q</p>	<p>Cabrillo College students need YOUR support. Vote <b>YES on Q</b> to ensure affordable education, outstanding transfer rates and training for good paying jobs for decades to come!</p> <p><b>FACT: Measure Q MAINTAINS AFFORDABLE COLLEGE EDUCATION.</b> Cabrillo ranks #1 in transfers to UC Santa Cruz and #2 to CSU Monterey. Four- year university costs are out of control - as much as 11 times higher than Cabrillo's. ### Impartial analysis of Measure Q

**Dana McRae**, County Counsel

By Jane M. Scott, Assistant County Counsel

If approved by at least fifty-five percent of those voting on the measure, this measure will authorize the Cabrillo Community College District (the "District") to issue general obligation bonds in an aggregate principal amount not exceeding \$310,000,000. The bonds would constitute an indebtedness of the District.

Payment of interest and principal relating to the bonds would be financed by an ad valorem tax levied on real property within the District. The Tax Rate Statement for Measure Q which was provided by the District and is printed in this ballot pamphlet provides information about the estimated amount of that tax.

The money raised through the sale of the bonds may only be used by the District for the purposes stated in the ballot materials and not for any other purpose, such as faculty or administrator salaries or other college ongoing operating expenses.

To ensure that the bond monies are expended for the approved purposes, the Board of Trustees of the District will cause an annual independent performance audit to be conducted. It will also cause an annual independent financial audit to be conducted, and the appointment of a citizens' oversight committee.

The interest rate paid on the bonds and their terms to maturity are not specified in the Resolution, although the maximum rate and number of years will be limited by State law.

This Measure will have no effect on existing levies.

This measure was placed on the ballot by the District's Board of Trustees.

A "yes" vote on Measure Q is a vote to authorize the bonds to be issued and financed by ad valorem taxes levied on real property in the School District.

A "no" vote on Measure Q is a vote against issuing the proposed bonds.

### Tax Rate Statement Bond Measure Q

**Laurel Jones**, President/Superintendent Cabrillo Community College District

An election will be in the Cabrillo Community College District (the "District") on June 7, 2016, to authorize the sale of up to \$310,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to sell the bonds in multiple series. Principal and interest on the bonds will be payable from the process of tax levies made upon the taxable property in the District. The information regarding tax rates is provided to comply with Section 9401 of the Election Code of the State of California. This information is based upon the best estimates and projections presently available from official sources, upon experience within the District and other demonstrable factors.

Based upon the foregoing and projections of the assessed valuations of taxable property in the District, and assuming the entire debt service, including principal and interest on the bonds, will be paid through property taxation:

1. The best estimate from official sources of the tax rate which would be required to be levied to fund the bond issue during the first fiscal year after the first sale of bonds, and an estimate of the year in which that tax rate will apply is \$0.02327 per \$100, or \$23.27 per \$100,000 of assessed valuation of all property to be taxed in fiscal year 2017-2018.
2. The best estimate from official sources of the tax rate which would be required to be levied to fund the bond issue during the first fiscal year after the last sale of bonds and an estimate of the year in which that rate will apply is \$0.02327 per \$100, or \$23.27 per \$100,000 of assessed valuation of all property to be taxed in 2028-2029.
3. The best estimate from official sources of the highest tax rate which would be required to be levied to fund the bond issue and an estimate of the year in which that rate will apply is \$0.02327 per \$100 or \$23.27 per \$100,000 of assessed valuation of all property to be taxed in fiscal year 2017-2018.
4. The Best estimate from official sources of the total debt service, including principal and interest which would be required to be repaid by tax rates levied on taxable property, if all the bonds are issued, sold and paid as projected would be \$623,034,495.00

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated due to variations from these estimates in the timing of bond sales, the amount of bonds sold, and the market interest rates at the time of the sales, and the actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold any given time will be determined by the District based on its need for construction funding as well as other factors. The actual interest rates at which the bonds will be sold will depend on bond market conditions at the time of sale. Actual assessed valuations at future dates will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the County of Santa Cruz, County of Monterey, and the

County of San Benito of in the annual assessment and the equalization process. Accordingly, the actual tax rate and the years in which such rates are applicable may vary from those presently estimated above.

### PROJECTS

The Board of Trustees of the Cabrillo Community College District, to be responsive to the needs of its community, evaluated Cabrillo College’s urgent and critical facility needs, and its capacity to provide students and military **veterans** with support facilities, an **affordable education** and prepare them for success in college and careers. 21st Century job training, safety, enrollment, class size and class offerings, and information and **computer technology** infrastructure were each considered, in developing the scope of projects to be funded. In developing the scope of projects, the faculty, staff, students and community have **prioritized local job training**, particularly in business, technology, nursing and other high demand careers, as well as facilities available to support an **affordable education**, so that the most critical needs that will make Cabrillo College an effective place for learning and **college transfer**, would be addressed. Based on Board, faculty, student and community input, it was concluded that if these facility needs were not addressed now, the Cabrillo College would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. **In approving the Projects, the Board of Trustees determines that Cabrillo College MUST:**

- (i) Provide upgraded classrooms and technology to deliver essential JOB TRAINING and workforce preparation for students of all ages, VETERANS, and local residents; and**
- (ii) Provide an AFFORDABLE, high quality education that prepares students for four year colleges, like U.C. Santa Cruz and increases opportunities to earn college credits, Certifications and job skills at a reasonable price; and**
- (iii) Ensure that every penny from this measure benefits Cabrillo College, and that no funds can be taken by the State.**

The following types of projects are authorized to be undertaken at Cabrillo College:

### **PROVIDING AN AFFORDABLE EDUCATION FOR LOCAL RESIDENTS AND VETERANS:**

#### **Basic Repair Projects Needed To Make Cabrillo College a Safe Place for Learning**

**Goals and Purposes:** The cost to attend California’s public universities has risen to at least five times that of attending a community college. As a result, more local students and their families rely on Cabrillo College to save tens of thousands of dollars. Additional funds are needed to increase opportunities for local students to earn college credits, certifications, and job skills at a reasonable price and transfer to four-year colleges and universities.

Many of Cabrillo’s buildings, classrooms, science labs, and job training equipment are deteriorating and outdated. This measure will address urgent and basic repairs such as upgrading electrical wiring, gas and sewer lines, fixing leaky roofs, repairing bathrooms, and replacing outdated plumbing and wiring to make our local college clean and safe for learning.

- Replace outdated electrical wiring.
- **Repair deteriorating gas, electrical, water and sewer lines.**
- Make campus buildings more energy efficient.
- Improve water conservation efforts.
- **Update campus facilities to improve access for those with disabilities.**
- Repair to the aging plumbing system to prevent flooding and water damage.

### PROVIDING JOB TRAINING AND COLLEGE TRANSFER:

#### Academic Facility and Technology Upgrade Projects To Help Students and Veterans Transfer to Four-Year Universities or be Trained For 21st Century Jobs

**Goals and Purposes:** Cabrillo College provides excellent training that prepares students to successfully transfer to UC and CSU schools, such as UC Santa Cruz and CSU Monterey Bay as well as public and private colleges throughout the Country, to complete their Bachelor's degrees. It has ranked #1 in transfers to UC Santa Cruz and #2 in transfers to CSU Monterey Bay. Cabrillo also has an 80% transfer rate to UCLA for its honors scholars and a 90% transfer rate to UC Berkeley. By upgrading our outdated technology, classrooms and science labs, Cabrillo can continue to offer this caliber of education.

Cabrillo College provides essential job training and workforce preparation for students, veterans, and local residents. Because of the changing economy, classrooms, labs and facilities need to be upgraded to provide students with up-to-date technology and expand access to training programs that help them learn new skills and find better paying jobs in jobs in business, technology, allied health programs and other high demand careers.

Cabrillo College classrooms and labs need to be upgraded so students have access to the technology that will help them excel in our 21st century economy. By upgrading classroom technology, science labs and computer labs, as well as improving electrical systems and wiring for computers and wireless internet access, we can ensure our students are prepared for good jobs.

Cabrillo College has served hundreds of military veterans and their families, and more each year, many of whom have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disability. Upgraded and expanded veteran services and job training are needed so returning Service Members receive the support they need to complete their education and enter the civilian workforce.

Thus the District requires funds that are locally controlled to obtain State matching funds and improve academic facilities which will allow them to continue providing access to affordable, high quality education to local students and veterans, including:

- Upgrade career and vocational classrooms to better prepare students and workers for good-paying jobs.
- **Upgrade facilities which prepare students to transfer to four-year colleges and universities.**
- Provide or upgrade facilities for student support services, such as tutoring and career counseling.
- Upgrade classrooms and labs for science, technology, engineering, and math-related fields.
- Upgrade technology infrastructure for classroom instruction.
- **Improve and maintain culinary arts, and other career education program facilities.**
- Improve technology to support online education.
- **Create a one-stop veterans' center to provide them with support programs and educational resources.**

Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. ## Argument for Measure S

## No argument against Measure S was filed.

**Vote YES on S to strengthen our local libraries** – a vital community resource for students, seniors, young children, veterans and community members of all ages.

**Measure S funds critical repairs and upgrades to support a steady increase in library usage and bring all ten branches up to 21st century standards.**

Expanded computer and Internet access is crucial for those who don't have access at home or work. Many students and low-income residents come to our libraries for schoolwork, to stay informed or apply for jobs, yet several local libraries have 50-year-old wiring that is completely inadequate for modern technology.

Additionally, many roofs are worn out, leaky and in serious need of replacement. Library materials have been ruined and some roofs are over 50 years old. Other branches have failing plumbing or antiquated heaters. One building dates from 1893, unsuitable for modern use; another operates in temporary modular units.

**Vote YES on S to provide locally controlled funding to strengthen our local libraries.**

- Upgrade outdated and inadequate electrical wiring
- Replace worn out, leaky roofs
- Improve spaces for programs serving all ages: students, seniors, young children, and community groups
- Ensure fully accessible libraries and programs

Our libraries offer safe places for local students after school, including homework and tutoring centers. Many seniors and people on fixed incomes rely on our extensive collection of books, media and online resources. Programs like story time and computer instruction are popular with young children and their families. Measure S improves library facilities for all these programs.

Measure S includes mandatory fiscal accountability provisions to ensure all funds are spent as described.

Join us in strengthening our local libraries – vital resources for community members of all ages in Santa Cruz, Aptos, Live Oak, Scotts Valley, Boulder Creek, Capitola, Felton and La Selva Beach. **Please vote YES on S.**

### Impartial analysis of Measure S

**Dana McRae**, County Counsel

By Jane M. Scott, Assistant County Counsel

If approved by at least two-thirds of those voting on the measure, this measure will authorize the Santa Cruz Libraries Facilities Financing Authority (“the Authority”) to issue bonds in an aggregate principal amount not exceeding \$67,000,000.

The measure will also authorize a special tax on real property.

The Authority has formed the “Santa Cruz Libraries Facilities Financing Authority Community Facilities District No. 2016-1” (“the CFD”) pursuant to State law for the purpose of financing or funding library facilities, as described in the ballot question and the Resolutions printed in this ballot pamphlet.

All developed parcels of real property within the boundaries of the CFD will be taxed to pay the interest and principal on the bonds which are issued for those purposes.

The annual special tax will be set at a maximum flat rate of \$49.50 for single family residential properties or per unit of a multi-family residential property, and \$86.00 for commercial, agricultural or recreational parcels. An owner may appeal the amount or application of the special tax if the owner claims it is incorrect, by filing a written appeal with the District Administrator.

The special tax will be levied for a period not to exceed thirty years commencing with fiscal year 2016-17. It will be collected in the same manner as ad valorem property taxes, unless the CFD collects it in a different manner as necessary to meet its financial obligations.

The bonds will constitute an indebtedness of the CFD. The interest paid on the bonds will be limited by State law, and their terms will be limited to thirty years from issuance.

Accountability requirements carried out under State law are to ensure that the tax proceeds are applied only to the purposes identified by the ballot measure. The measure also establishes a legal appropriations limit which authorizes the CFD to spend the monies raised.

This measure was placed on the ballot by the Board of the Santa Cruz Libraries Facilities Financing Authority.

A “yes” vote on Measure S is a vote to authorize the bonds to be issued and to levy special taxes on real property.

A “no” vote on Measure S is a vote against issuing the proposed bonds and levying the special tax.

### Fiscal impact statement of Measure S

**Edith Driscoll**, County Auditor-Controller-Treasurer-Tax Collector

This measure would levy a Special Tax for Public Library purposes.

Special Tax proceeds are to be used for purposes of and relating to modernizing, upgrading and repairing local libraries in County of Santa Cruz, including but not limited to Aptos, Boulder Creek, Branciforte, Capitola, Downtown Santa Cruz, Felton, Garfield Park, La Selva Beach, Live Oak and Scotts Valley, but excluding library facilities in the City of Watsonville. This shall include, without limitation, new construction, building renovations and service model upgrades such as separate areas for teens and children, flexible spaces and/or meeting rooms and study rooms, flooring, painting, shelving, furniture, technology, and power/data to support other upgrades.

#### Fiscal Effect

Measure S will authorize issuance of bonds up to \$67,000,000 to finance costs related to the support and construction of the Public Library improvements described above. The Special Tax is expected to generate approximately \$4,150,000 annually to finance the necessary direct costs and debt payments. Some Public Library improvements may be funded on a pay-as-you go basis from Special Taxes and not from bond proceeds.

The maximum annual Special Tax will not exceed (1) \$49.50 per parcel for a single-family residential parcel, (2) \$49.50 per each unit for multi-family residential, (3) \$86.00 per parcel for agricultural, commercial or recreational parcels, or (4) for parcels with multiple uses, the sum of the maximum annual Special Taxes. All real property within the boundaries of the Community Facilities District, unless exempted by law or other provisions, shall be taxed.

The Special Tax is authorized to be levied for a period not to exceed 30 years commencing with the 2016-17 fiscal year. A pre-payment option is available to property owners. The proposed Special Tax does not replace any existing taxes or charges.

### Distribution and Accountability of Funds

Net Special Taxes and net bond proceeds will be apportioned as follows: City of Scotts Valley 4.84%, City of Capitola 12.90%, City of Santa Cruz 40.32%, and County of Santa Cruz 41.94%. Each party will be responsible for overseeing the Public Library improvements within its own jurisdiction. Each party shall deposit and track the funds in a separate account which will be subject to an annual independent audit.

As per Government Code, The chief fiscal officer shall file a report with the governing body annually, reporting on the amount of funds collected and expended and the status of any projects required or authorized to be funded.

**C. MAXIMUM SPECIAL TAX**

a. Developed Property and Taxable Public Property

(1). Maximum Special Tax

The Maximum Special Tax that may be levied in any Fiscal Year for each Assessor's Parcel is shown in Table 1.

**TABLE 1**

**Maximum Special Tax for Developed Property in CFD No. 2016-1 in any Fiscal Year**

Property Type	Per	Maximum Special Tax
Single Family Residential	Unit	\$49.50
Multi Family Residential	Unit	49.50
Agricultural	Parcel	86.00
Commercial	Parcel	86.00
Recreational	Parcel	86.00

(2). Multiple Property Types

In some instances, an Assessor's Parcel of Developed Property may contain more than one property type/use. The Maximum Special Tax levied on an Assessor's Parcel shall be the sum of the Maximum Special Tax for all property uses located on that Assessor's Parcel.

**D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing with Fiscal Year 2016/17 and for each following Fiscal Year, the Board or its designee shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

**Step 1:** The Special Tax shall be levied on each Assessor's Parcel of Developed Property, Proportionately, up to 100% of the Maximum Special Tax to satisfy the Special Tax Requirement.

Notwithstanding the above the Board may, in any Fiscal year, levy Proportionately less than 100% of the Maximum Special Tax in step one (above), when (i) the Board is no longer required to levy the Special Tax at 100% in order to meet the Special Tax Requirement, and (ii) all authorized CFD No. 2016-1 Bonds have already been issued or the Board has covenanted that it will not issue any additional CFD No. 2016-1 Bonds (except refunding Bonds) to be supported by the Special Tax.

Further, notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2016-1.

**E. EXEMPTIONS**

No Special Tax shall be levied on Public Property and Undeveloped Property. However, should an Assessor's Parcel no longer be classified as Public Property or Undeveloped Property its tax- exempt status will be revoked. In the case of Public Property and pursuant to Section 53317.3 of the Act, if property not otherwise exempt from the Special Tax levied pursuant to this chapter is acquired by a public entity through a negotiated transaction, or by gift or devise, the special tax shall, notwithstanding Section 53340, continue to be levied on the property acquired and shall be enforceable against the public entity that acquired the property. However, the public agency that acquires the property may prepay and satisfy the obligation to pay the tax pursuant to Section H below.

Taxable Public Property shall be subject to the levy of the Special Tax, assigned to a Property Type in accordance with the use of the property, and shall be taxed Proportionately as part of the first step in Section D above, at up to 100% of the applicable Maximum Special Tax.

### **F. APPEALS AND INTERPRETATIONS**

Any property owner may file a written appeal of the Special Tax with the CFD Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than the June 30th of the Fiscal Year in which the Special Tax is due and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Board whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Board requires the Special Tax to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Taxes, but an adjustment shall be made to credit future Special Tax levy (ies).

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

### **G. MANNER OF COLLECTION**

The Special Tax will be collected in the same manner and at the same time as ordinary ad valorem property taxes; provided, however, that CFD No. 2016-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

### **H. PREPAYMENT OF SPECIAL TAX**

The following definition applies to this Section H:

**"CFD Public Facilities"** means either \$78,100,000 in 2016 dollars, which shall increase by the Construction Inflation Index on July 1, 2017, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by CFD No. 2016-1 under the authorized bonding program for CFD No. 2016-1, or (ii) shall be determined by the Board concurrently with a covenant that it will not issue any more CFD No. 2016-1 Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.

**"Construction Fund"** means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible to be funded by CFD No. 2016-1 under the Act.

**"Construction Inflation Index"** means the annual percentage change in the April to April Engineering News-Record Building Cost Index for San Francisco, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the April to April Engineering News-Record Building Cost Index for San Francisco.

**"Future Facilities Costs"** means the CFD Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance facilities costs.

**"Outstanding Bonds"** means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

**"Previously Issued Bonds"** means all CFD No. 2016-1 Bonds that have been issued by CFD No. 2016-1 prior to the date of prepayment.

#### **1. Prepayment in Full**

The obligation of an Assessor's Parcel to pay the Special Tax may be prepaid and permanently satisfied as described herein; provided that a prepayment may be made after at least one series of CFD No. 2016-1 Bonds has been issued and only for Assessor's Parcels of Developed Property or Undeveloped Property for which a Final Subdivision has been recorded prior to January 1 of the prior Fiscal Year, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The

CFD Administrator may charge a fee for providing this service. Prepayment in any six month period must be made not less than 45 days prior to the next occurring date that notice of redemption of CFD No. 2016-1 Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

Bond Redemption Amount

plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit

Total: equals Prepayment Amount

As of the proposed date of prepayment, the Special Tax Prepayment Amount (defined below) shall be calculated by the CFD Administrator as follows:

**Paragraph No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Maximum Special Tax applicable for the Assessor's Parcel to be prepaid.
3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total estimated Maximum Special Tax for CFD No. 2016-1 based on the Developed Property Special Tax which could be charged in the current Fiscal Year, excluding any Assessor's Parcels which have been prepaid, and
4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (e.g., the redemption price-100%), if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Compute the current Future Facilities Costs
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Amount").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Add the amounts computed pursuant to paragraphs 8 and 9 to determine the "Defeasance Amount".
11. Verify the administrative fees and expenses of CFD No. 2016-1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No.2016-1 Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "Administrative Fees and Expenses").
12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement on the prepayment date or the redemption date.
13. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10 and 11, less the amount computed pursuant to paragraph 12 (the "Prepayment Amount").
14. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 10 and 12 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2016-1.

The Special Tax Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of CFD No. 2016-1 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of CFD No. 2016-1 Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the CFD Administrator shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Tax that may be levied on Taxable Property within CFD No. 2016-1 both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding CFD No. 2016-1 Bonds.

## 2. Prepayment in Part

The Special Tax may be partially prepaid, provided that a partial prepayment may be made after at least one series of CFD No. 2016-1 Bonds has been issued and only for Assessor's Parcels of Developed Property, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of partial prepayment. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated by the CFD Administrator according to the following formula:

$$PP = P_E \times F.$$

These terms have the following meaning:

PP = the partial prepayment

P<sub>E</sub> = the Special Tax Prepayment Amount calculated according to Section H.1

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The Special Tax partial prepayment amount must be sufficient to redeem at least a \$5,000 increment of Bonds.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax and the percentage by which the Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the CFD Administrator shall (i) distribute the prepayment funds remitted according to Section H.1, and (ii) indicate in the records of CFD No. 2016-1 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 -F) of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

### I. TERM OF SPECIAL TAX

The Special Tax shall be levied for a period not to exceed 30 years commencing with Fiscal Year 2016/17
